

Ring & Flange Type Filter Bag

Feature and Benefits

- 100% filtering by absolutely preventing bypass
- Improved sealing integrity

Application

- Food & beverage : beer, flavors, juices, syrup, wines
- Industrial : petroleum, paints, chemicals, waste water
- Pharmaceutical

Specification

Material of Construction

- Media : polypropylene, polyester, nylon

Cartridge Dimension

- Bag size : 100*230mm, 100*380mm, 100*430mm, 100*810mm
